🎓 University of Sharjah: BSc Biomedical Sciences

I am a proud alumnus of the University of Sharjah, where I earned my bachelor's degree in Biomedical Sciences. After graduating, I dedicated myself to tutoring, honing my skills primarily in International Baccalaureate (IB) Biology and Physics. I relish the opportunity to inspire and guide students through complex scientific concepts.

Teaches: Biology Physics

Curriculum: IB

### Qualifications

University of Sharjah: BSc Biomedical Sciences

Certified IB: Biology and Physics Instructor

### Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

### Tutoring Experience

For over four years, I've been tutoring IB students in Biology and Physics, assisting them in boosting their academic performance and love for science. I've taken pride in witnessing my students' profound improvements and achievements, from grasping intricate theories to acing their exams. My services also extend to university application guidance, including crafting compelling personal statements.

### Tutoring Approach

My approach to tutoring is centered on the principle that everyone's learning style is unique. I continually strive to adapt my teaching methods to suit each student's needs, whether it's through visual aids, interactive discussions, or practical exercises. I firmly believe in fostering deep comprehension of the subject matter, not just aiming for exam success. My aim is for my students to gain an appreciation for the beauty of science and to apply their knowledge in real-world scenarios. Furthermore, I cultivate an environment of openness and curiosity, where questions are encouraged, and complex topics are unpacked patiently and thoroughly.

### Extracurricular Activities
